

A Note of Appreciation to Hospice of York Volunteers

I hope you all are having a sweet time today lunching and munching together. I send you regards and thanks for helping to create such a strong community of hospice volunteers in the greater York area; indeed, we have forged a vibrant and vital partnership over the last couple of years. Not only do Dee and I have our multiple telephone conversations during the week, but I have gotten to know many of you through our mutual in-services and your visits to my office to get your TB tests or to drop notes. You so fulfill our common goal of supporting patients and families, thereby enriching all of our lives.

I throw you all bouquets of gratitude.

Caroline Macdonald
